

As an organization driven by performance and a team of exceptional professionals with integrity, shared values, and commitment, ADNOC has invested hugely to maximize the value of oil and gas assets to remain a trusted and dependable global energy supplier for the sustainable growth of company and nation as a whole. By concentrating on four key strategic domains— enhancing organizational

performance, maximizing profitability, optimizing efficiency, and investing in human capital, ADNOC strives to be the force that empowers the nation and drives the engines of growth by utilizing the true potential of our natural and human resources.

USHERING ECONOMIC PROSPERITY

As world's 12th largest oil producer producing 3 million barrels per day with 151 oil transportation and support

vessels, ADNOC is continually seeking novel and innovative approaches of increasing its value so as to take full advantage of the resources. ADNOC has been working relentlessly to meet the demands of a dynamic energy market in order to make a long-lasting positive impact on Abu Dhabi's economy for generations to come.

DRIVING EFFICIENCY

A critical driver of the social and economic development and a distinguished enabler of economic diversification in the region, ADNOC places heavy thrust on controlling costs, increasing operational efficiency, and maximizing profits to flourish in the new multifaceted energy landscape. Creating superior value from its resources, the company is constantly expanding the number of partners, investors and stakeholders to attain sustainable stability between society's existing and future energy needs by using the wisest, more responsible and advanced methods of operation.

In view of strategic necessities, ADNOC has chalked out long-term growth plans empowered by technology, enterprises, and people to envision future actions and developments in its integrated 2030 strategy, which is of paramount importance to deliver smart growth and maximize revenues.

Committed to keeping its employees well-informed with ongoing training and the latest skill sets to keep up with industry developments, ADNOC offers a supportive working environment to them, which is favorable for them and enables them to prosper and perform.

A PARTNER TO SOCIETY

ADNOC remains on its toes to contribute significantly to social investment and community development programs by investing in education and research, developing roads, hospitals, schools and mosques, donating to the Ministry of Labor and Social Affairs, Emirates Red Crescent, Khalifa Foundation, local sports and cultural clubs, as well as building infrastructure critical to Abu Dhabi's growth and development.

In the year 2017, ADNOC introduced the Al Khair program, intending to influence the lives of over 100,000 people positively. As part of the 2017 Year of Giving, the company had undertaken 50 community initiatives.
