# American University of Sharjah

Learning in the Lap of Luxury

Despite being young in age, American University of Sharjah (AUS) is acclaimed throughout the region for its academic excellence and multicultural campus life

**F**ounded in 1997 by His Highness Sheikh Dr. Sultan Bin Mohammad Al Qassimi, Member of the Supreme Council of the United Arab Emirates and Ruler of Sharjah, the university was envisaged by His Highness as a leading educational institution in the Gulf region.

Consciously based upon American institutions of higher education, AUS is thoroughly grounded in Arab culture and is part of a larger process of the revitalization of intellectual life in the Middle East. AUS is an independent, not-for-profit coeducational institution that is proud of its role as a leading comprehensive coeducational university, serving students from the region and around the world.

As a provider of quality higher education in the Gulf, AUS is licensed and its programs are accredited by the Commission for Academic Accreditation of the Ministry of Higher Education and Scientific Research in the United Arab Emirates. AUS is also accredited in the United States of America by the Middle States Commission on Higher Education.

The bachelor of science degree programs in chemical engineering, civil engineering, computer engineering, electrical engineering and mechanical engineering offered by the College of Engineering are accredited by the Engineering Accreditation Commission of ABET.

The bachelor of science degree program in computer science offered by the College of Engineering is accredited by the Computing Accreditation Commission of ABET. The Bachelor of Science in Business Administration as well as the Master of Business Administration and Executive Master of Business Administration degrees offered by the School of Business Administration are accredited by the Association to Advance Collegiate Schools of Business (AACSB). The Bachelor of Architecture program of the College of Architecture, Art and Design is accredited by the National

Architectural Accrediting Board (NAAB) of the United States.

In addition, AUS is proud to be a reflection of the progressive spirit of the Emirates, admitting bright young men and women as students solely on the basis of their academic qualifications regardless of race, color, gender, religion, disability, age or national origin. Strategically placed between the Far East and the West, between Africa and Asia, their location is one of their greatest assets.

From ancient times to the modern day, Sharjah boasts a well-deserved reputation throughout the region as an important center of commerce and trade as well as art and culture.

#### STRATEGIC FUTURE

Every department on campus has been involved in helping set its strategic directions, which support its mission and vision. AUS's priorities are academics, building the campus community, developing mutually beneficial external relationships and enhancing institutional effectiveness.

#### VISION

American University of Sharjah (AUS) will be the region's leader in higher education, known for excellence and innovation in teaching, learning, research and service.

#### MISSION

American University of Sharjah (AUS) is a comprehensive, independent, non-profit, coeducational institution of higher education that fosters excellence in teaching, learning and research. Based on an American model of higher education and grounded in the culture of the Gulf region, AUS fosters a community that embraces cultural diversity and whose members are committed to the ideals of open intellectual inquiry, ethical behavior and social and civic responsibility.
