BEACON OF TOMORROW

- CIMGlobal provides consultancy and management services.
- It is conducted for conferences, associations, meetings and exhibitions globally since 1997.

CIMGlobal is a key player in consultancy and management service sector. The brand plays a vital role in conferences, associations, meetings and exhibitions globally.

GOING BACK IN HISTORY

Founded in 1997, CIMGlobal has etched a niche for itself and its success story spans in the Association Management, Meeting Management, and Corporate Activation since its Inception. Prasant Saha, CEO, is a well-respected, internationally known Meetings professional, who has been instrumental in bringing the Indian meetings Industry forward. Today, the brand has successfully pioneered the business ladder in the highly specialized field of organizing Conferences, Corporate Incentives, Business Events and Exhibition Management, executed by a team of dedicated cutting edge professionals with a focus on end user customer satisfaction in a well-defined mission.

CIMGlobal currently operates in 6 continents with its presence in Netherlands, United Kingdom, Italy, Dubai, Abu Dhabi, South Africa, Singapore and India continuing to explore expansion opportunities within key markets in all region of the world.

VALUING CONSUMERS

As the global economy expands, CIMGlobal will help customers grow with it - using consistent global strategies and local autonomy to support consumer needs - anywhere in the world. Their customer-centric approach, refreshing creativity, purchasing power and flexible technology tools enables the consumers to respond quickly and deliver smart, scalable solutions. Flexible, agile and adaptive, they are truly consumer driven.

The brand is totally committed to providing the clientele with the highest quality and most professional management services available in the industry. They have been privileged to extend the services to various governmental organizations, educational institutions, trade bodies, associations as well as multinational corporations. The services are exceedingly professional

and exceptionally planned to ensure that the organizational objectives are achieved. CIMGlobal determines goals, create value and deliver results for their clients.

CIMGlobal specializes in delivering best in class services in the following genres, namely:

ASSOCIATION MANAGEMENT

CIMGlobal provides management, outsourcing, and consulting services to professional associations & societies, trade associations, foundations and other not-for-profit organizations. The focus being on an organization's objectives provides us with an enhanced understanding of how they can provide value to build successfully on the plans of the brand, through the model of Partnership, Experience, Personalized Service and Custom Solutions.

MEETING MANAGEMENT

When the client is looking for a creative and inspiring place to meet the colleagues and customers, where they can motivate, educate and reward them while leaving a lasting impression CIMGlobal is the go-to-partner. The brand organizes large conferences in many parts of the world and has learnt a great deal about these destinations. They can therefore advice on creative meeting locations, meeting concepts and additional leisure time activities. The meetings, events and incentive travel programs begin with a deep understanding of the strategic business goals, and they transform that understanding into creativity, memorable experiences. The company is passionate about what they do, and it's evident in the results they drive for the consumers.

CONFERENCE MANAGEMENT

Organizing and managing the client conference proactively from beginning to the end. They take full advantage of their resources and experience. Their professional team organizes, coordinates the logistics and delivers their conference – with outstanding service and passion for detail.
