# DRA Group of Companies

Carefully Designed

Under strategic planning for the future, DRA Group is not only set towards a continuous growth in the construction sector in Dubai, but is also looking to expand in the logistics sector in India

**D**RA Group of Companies is one of the leading companies in the Middle East, engaged in various activities such as construction, electromechanical, trading, interior decoration, etc. The product design of DRA Group is equipped with top modern machinery for interior decoration, such as specially designed furniture and a wide range of finishing and painting, metal parts, etc. to cater to the needs of different types of buildings and construction requirements. DRA infrastructure and support systems have been carefully designed and built over the years to provide quality services.

Since its inception, the company has expanded and diversified to several areas such as construction offices, warehouses, logistics and industrial buildings.

#### **CITY DIAMOND CONTRACTING LLC**

It is a sophisticated and ultra-modern construction company, which is furnished with hi-tech state-of-the-art equipment, machineries and transportation system for the production of a range of different projects to meet the international quality and standards. City Diamond Contracting LLC is equipped with quality infrastructure both in manpower and machinery, which help it materialising any specialized project. City Diamond Contracting is currently breaking new grounds as it has bagged works on Kleindienst's Heart of Europe project which is a part of Dubai's The World Archipelago Project.

#### **MEPTech ELECTROMECHANICAL CONTRACTING LLC**

It is an in-house electromechanical company, which has proven a track record of excellent services in the construction company. Meptech ElectroMechanical Contracting LLC is fully sophisticated with dedicated engineers, supervisors and highly

skilled electricians, plumbers engaged in electromechanical works.

#### **GIANT STAR TRADING LLC**

This branch of DRA Group of Companies is associated with activities such as spare parts for concrete plants, racking & shelving systems imported from Godrej & Boyce Mfg. Co. Ltd. that possess proven international credentials and more than 4,500 installations. It is involved with tasks like waterproofing with Kryton International Inc. with integrity, trust, service and support.

DRA Group is specialised in turnkey services to its clients by providing most economical and functional designs with a special care for aesthetics. The Managing Director of the DRA Group of Companies, Deepak Arora, has not only grown his company into a giant one but has also expanded his reach into many other segments.

DRA Group's priority lies in the company's main projects, and it lets each subsidiary firm to pursue contracts individually. The parent company not only presents a formidable united front when bidding for major contracts, but its subsidiaries can compete for contracts in their specialist fields independently too.

With the 2020 expo around the corner, there will be several projects on its way. Thus, DRA Group is set to make a distinguished mark before the world.
