

Redifice Developers

Reiterating Virtue

Redifice Developers has a characteristic approach that inspired them to create a range of commercial and residential spaces, which in turn inspires consumers, and some of these happy clients choose to be our patrons for life

The brand, Redifice Developers is an Engineering, Construction and Project Management Portfolio catering to a diverse set of consumer needs. Redifice Signature, Redifice Ambrosia are two names amongst many which are their breakthrough commercial and residential projects and stand as testimony to their commitment for quality, service and singularity.

PERCEIVING EXCELLENCE

At Redifice Developers, the team work towards creating some of the best-in-class masterpieces in both residential and commercial spaces. They want their creation to represent novelty and quality as delivering ordinary living spaces are just not what the brand can settle for. While creating sky scrapping buildings, Redifice always takes care of structuring towers in partnership with nature, as they want to create a beautiful, sustainable tomorrow for the generations to come.

With a primary focus being of having happy consumers, Redifice has built a reputation of not only delivering great residential spaces but also instilling life in those cemented walls. Redifice has developed an ecosystem where people get enough motivation and support to do things in the most innovative manner. Innovation and Creativity are two strong pillars of the brand.

REDIFICE SIGNATURE

Situated in the prime location of Bangalore, the Central Business hub of Bangalore District, Redifice Signature is perceived to encompass several municipal boundaries which include technology parks, corporate offices, super speciality hospitals, restaurants, malls and shopping complexes.

Bangalore being a cosmopolitan and vibrant city, it has some of the

well developed infrastructures, one of them being Redifice Signature which is much sought after for business and residential location. It is located at the core of Central Bangalore, where liveliness exists and all amenities are at a stone throw.

The prime importance is the accessibility factor; one can easily reach Koramangala, Jayanagar, Outer Ring Road, and the Devanahalli International Airport.

REDIFICE AMBROSIA

At the end of the day, home is the only place one wants to go back to. It is definitely something way beyond mere walls and ceilings; it is a place where emotions reside. Redifice Developers understand that home is a place that reflects your personality, choice and poise. Redifice Ambrosia is designed to be all this and more. Extremely spacious homes surrounded by lush green spaces. It is loaded with modern amenities, reeking off exclusivity in every square foot.

Redifice Developers have come up with exclusive boutique apartments under the name of Redifice Ambrosia; they offer ultra luxury homes for the very upper crust.

Situated in the heart of Bangalore in the quiet and serene location of Benson town, which is Bangalore's, much sought after neighbourhood for the elite and is tucked in from all the hustle and bustle of the city life.
