

# Sanjay Ghodawat Group of Institutions

Building Luxury Portfolio

Spread across 150 acres, Sou. Sushila Danchand Ghodawat Charitable Trust's Sanjay Ghodawat Group of Institutions (SGI) is located in a tranquil environment in the middle of heavenly hills and lush green fields. The institution seeks to provide world-class education, and has become a premier institute catering to the energetic and dynamic minds

**E**ducation is imparting to students the knowledge of immense possibilities, and transforming their personalities. The goal of right education is to bring out students out of their comfort zone and dare them to bring out their best.

Students are nowadays flooded with loads of information; what they really need is direction. The role of teachers thus becomes integral in shaping a child's future and present, and in providing them with the right guidance. Teachers can really help students distinguish between right and wrong, and inspire them to find their true potential. They can teach them about the right values and principles, which will help them grow as prominent individuals who can make a difference in this world.

Sanjay Ghodawat Group of Institutions is one such place which has the right environment, the right facilities, the right academics, teachers and experts who can engage a student in constructive learning activities that can bring out and foster the leaders in him or her. This institute is totally committed to give the very best of all fundamentals in academics.

Mr. Sanjay Ghodawat, a very promising leader, has laid the foundation of this integrated campus with a motto of inculcating quality education among the students. The Institution has departments of Engineering and Management, and also has an International School.

SGI stands for excellent performance. In the world where it is a common place to see mediocrity as the order of the day, SGI always stands as the guiding star of brilliance, quality and deliverance beyond expectations. Innovativeness and Creativity are the hallmarks of a genius enterprise, and SGI stands to be a stage where these qualities would be nurtured, encouraged and blossomed. Inner re-engineering towards a proactive outlook, courage to convert challenges into opportunities and an unyielding spirit with never-say-die attitude are expected from students, staff and management who are present in the

grand precincts of the Institution. The genius is incomplete without the sense of social responsibility and SGI's ultimate goal remains the development of an attitude of gratitude that freely gives back without expectations.

Mr. Sanjay Ghodawat, as a responsible citizen, strongly believes in reciprocation to the society. In 1996, he founded a charitable Trust in the name of his mother 'Sou. Sushila Danchand Ghodawat Charitable Trust'. Besides, he has contributed to a number of social initiatives including a building for a blind school in Miraj, an operation hall at Siddhivinayak Hospital, Miraj, organized plastic surgery camps sponsored by Ichalkaranji Rotary Club at Ichalkaranji, where over 500 surgeries are done every year, and has set up an eye hospital. In 2001, he started a Blood Bank by the name 'Acharya Shree Tulsi Blood Bank' at Udgaon (Jaysingpur) equipped with sophisticated laboratory equipment, and has been rated as one of the best three blood banks in India. Mr. Ghodawat also started a Junior Girls College in 2007, educating over 1,700 girls and is now planning to start a Dental and Nursing College, Diploma courses and Pharmacy College.

Sanjay Ghodawat Group of Institutions has a remarkable logo with a shield like shape bearing five stars and the symbol of the Sun. The logo has an aura of excellence and richness in its presentation. The shield stands for the defense of great moral force that nature contains in it. The five stars that are on the top of the logo stand for five great values of commitment, excellence, innovation, dynamism and morality. The symbol of the Sun portrays the supremacy of the institution. The red colour expresses the commitment that the institution has towards the society in providing the best education.
