

CERTITUDES

- At SPF Realty, they understand the urgency of a customer's needs.
- Their in-depth understanding of the market trends translates to speedy deals and value for the assets.

BEACON OF TOMORROW

- At SPF Realty, leasing is not just about the transfer of utility rights on property.
- It is an ongoing collaboration of property owners and tenants that fulfills the dynamic needs of a whole spectrum of people.

As the customer today is well aware, Dubai is on its way to becoming the world's leading investment hub. Dubai's property investment climate is ideal at the moment, and is getting better with time. As such, this is the right time to make informed choices rather than impulsive decisions - precisely the reason is that they have on board experienced professionals waiting to provide you with solutions for your specific requirements.

Their services don't stop with individual clients. They have the resources and expertise to cater to corporate clients and investors as well. They are committed to understanding their clients' specific requirements and providing a complete advisory and service package, which ensures appreciation and return on investment.

Buying or selling, commercial or residential, apartment or villa - no matter what the choice is, the customer can be assured that SPF Realty has the experience and understanding of the market to provide the customers with peerless service. Their wide and varied portfolio assures the best in terms of Dubai's property market.

SELLING, INVESTING OR LEASING?

To the discerning seller, they offer a full market appraisal of the customer's property, along with advice on current market trends and buyer expectations. This will ensure that appropriate marketing strategy is implemented, and their property is given the optimum exposure.

If customers are looking at buying property purely as an investment, their team of experts with their comprehensive understanding and experience of the local and regional markets will direct the customers on the best ways to maximize their returns.

As seasoned professionals in the local and regional markets, they evaluate each project and developer with uncompromising parameters.

This is precisely why they have the privilege of working closely with some of the choicest developers to remain competitively focused, bringing maximum results for the developer as well as the investors.

Their dedicated leasing advisors offer an extensive portfolio of properties available for lease on long- and short-term basis. Whether leasing a commercial property, a villa, an apartment, or an entire building, prospective tenants can be certain that the proposed property will be tailored to match their individual requirements.

SPF'S PROPERTY SUPERVISION SERVICE

Their professional Property Supervision Service can ensure the customer hassle-free property ownership. This service allows landlords to enjoy all the benefits of property ownership without the associated headaches. If the customers are landlord based overseas, they will find this option especially beneficial. These customers can rest assured in the knowledge that the customer property is being looked after in their absence.

WORKING TOWARDS A COMMON GOAL

To spearhead the Real Estate industry in United Arab Emirates, in terms of providing superlative services.

To be the leader in the area of property investments, both residential and commercial, in the country.

To provide unsurpassed service at all times allowing both investors and partners to reap the rewards of associating with them.

To embark on a journey of excellence, maximizing financial returns for investors and partners.
