## POWERING MODERN EDUCATION

A better educated society needs all parts of the education system to be connected and working together. India's leading Education Group, the Amity Education Group was founded with the same intention. The campuses spread over 1,200 acres which includes 8 world-class Universities in Delhi NCR, Lucknow, Jaipur, Gwalior, Mumbai Raipur, Ranchi and Kolkata, 18 Schools & Pre-Schools, over 150 top-ranked institutions, 15 Global Business Schools pan India and

10 International Campuses spread across UK, USA, China, UAE, Singapore, Romania, South Africa, and Mauritius. At Amity Education Group, they believe spreading quality education is an integral part of powering the modern education. The group is currently making a difference in the lives of over 150,000 students pursuing over 250 Programmes across 50 diverse disciplines.

Amity Universities have been established by an Act of State Legislature and are recognized by UGC besides being awarded grade 'A' by NAAC. Amity also holds the honor of being one of the first universities in India to be accredited by ASIC UK and listed in the United Nations list of Global Universities. Amity University is also recognized by department of science and technology, Government of India as a scientific and research organization. Amity has received many International recognitions such as 'Premier' Status accreditation from ASIC UK, attributed by the Accreditation council for Business Schools and Programs, USA, Institute of Engineering and Technology, UK and accredited by Bar council of India,

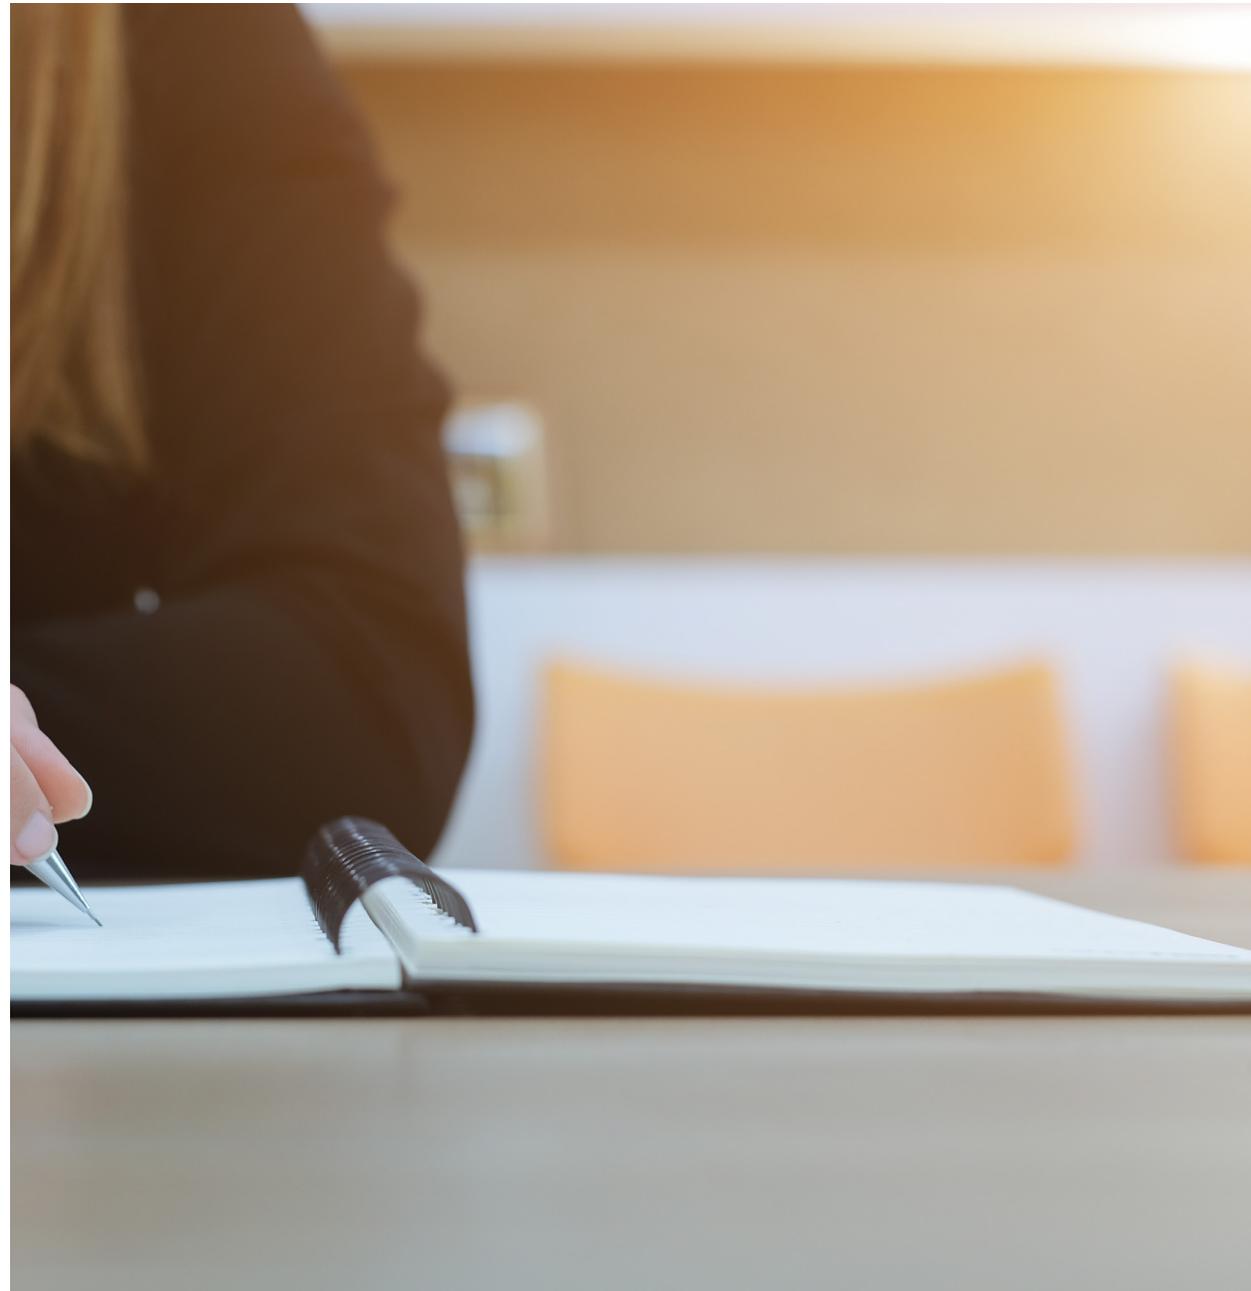

Council of Architecture, National council of Teachers education, Pharmacy council of India and Rehabilitation council of India.

Amity University benchmarks only against the best institutions around the world. The extremely dedicated faculty and senior team travels all over the globe to learn and imbibe the best practices so that they can lay strong foundation of learning.

Amity University is one of the only institutions in Asia to have regional accreditation from WASC, the most prestigious accreditation available in the US. As part of this endeavor, Amity provides world-class infrastructure, so the students can channelize all their energies towards learning. They have air-conditioned amphitheatre style classrooms that provide the most conducive atmosphere for dynamic and focused discussions, while the libraries

at their campus are equipped with over 1,00,000 books, periodicals, national and international journals, CD-ROMS, covering all aspects of academic studies and research material. The hi-tech labs act as ideal training grounds for budding professionals that allow students to experiment and bring to practice what they have learnt in theory.

### FROM CLASSROOM TO CORPORATE

Amity University has been rated amongst the top Universities in ASIA by British Quacquarelli Symonds (QS) two years in a row in 2014 and 2015 and is the only University from India to be included in the list. Amity Institutions have been rated amongst the top by leading publications

as well as the Industry bodies such as Assocham, PHD Chambers etc.

Currently Amity has 6,000 strong distinguished faculty credited with filing over 800 patents and authoring 150 books and 400 case studies, 1000 researcher papers and engaged in 250 ongoing sponsored research projects with leading Government bodies.

Amity University was also selected as one of the five Universities from all over India for the prestigious Pan Africa initiative by the Government of India which provided E - learning to over 47 countries in Africa.

Amity has built state of the art infrastructure at all of its campuses, including over 300 state of the art laboratories for research and practical training. Over 50,000 Amity Scholarships worth millions have been awarded to meritorious students over the years. The University has given over 85,000 well-trained and fully groomed professionals to the corporate sector, who are at management positions.

### QUANTUM LEAPS

- Amity University is India's First Not-for-Profit private university as per the National Institutional Ranking, 2017.
