## NURTURING DELICATE FUTURES

*With the committed goal of inculcating in the wards the philosophy of St. Fredrich Froebel, the founder father of the German Kindergarten, the St. Froebel Sr. Sec. School is a state-of-the-art educational institution. Inaugurated in 1985, the school has been tastefully developed with green and refreshing surroundings and friendly environment*

**A**ffiliated with CBSE and recognised by the government of NCT of Delhi, the school has a highly dedicated & professionally trained team of educationists with a very long experience in the field at the national as well as international levels.

### SOLID FOUNDATION

The school inspires all the students on to the path of brilliance, irrespective of caste, creed, colour or gender. The cherished values of self-reliance, persistent longing for learning and

the inculcation of humane, socially adorable behaviour, are the core principles of the school's educational ethics and objectives.

### A CUT ABOVE THE REST

The school has implemented a progressive and non-prejudicial attitude towards ancient Indian wisdom which also finds a respectable place along with the modern.

Moving with the changing times, newer methodology, techniques and innovations have been introduced in the school. Tiny tots are taught through 'Playway' method

to create their interest in learning. The motto of the school is "from darkness to light" and to bring about a marked change in the lives of the learners by creating "faith in oneself" and nurture each child to extract the best of potential in him/her.

### COMPREHENSIVE EDUCATION

The nursery wing of the school is well-equipped with the latest educational and audio-visual aids, software, swimming, joy rides, ballpool, doll house, sandpit, magnetic boards, etc. Children are also imparted training in various outdoor and indoor sports such as basketball, badminton, cricket, table tennis, volleyball, and co-curricular activities such as classical and western dance, jazz, folk dance, and classical & western music.

To maintain punctuality and regularity in learning, academic checks are regularly made and individual counselling is provided for immediate improvement and to overcome stress and

tension due to studies. School is also very sensitive towards the health of its wards and takes adequate care through annual health check-up and immunization camps in the school periodically and ensures child's fitness with follow-up action.

### ADVANCEMENT THROUGH TECHNOLOGY

An out of the box, unique initiative by the School is the smart class digital initiative with several benefits for teachers to improve their effectiveness in difficult curriculum concepts, facilitate multisensory learning, and improve academic performance of students.
