

Awidely acknowledged and famously referred to as one of the pioneers in the travel industry, Al Safina Travel and Tourism is an immensely crucial part of the Al Safina Group, which is a conglomerate of over 25 companies and is led under the exemplary guidance and leadership of Mr. Jolly Antony who is both the Founder and CEO of the Group.

CATERING SERVICES WITH EXCELLENCE

Al Safina Travel and Tourism is recognised for its dedication and relentlessness in delivering excellence to its clientele. Having personally picked and negotiated the best deals on all their partnered hotels, resorts, restaurants and villas, the company provides the supreme quality of products and services at highly competitive rates.

Services such as airline tickets, hotel bookings, sightseeing tours, meet and greet services, medical tourism packages, travel and medical insurance, holiday packages, global cruise holidays, global visa services, etc. have been appreciated by the clients and customers across continents. Their dynamic team of about 250 multilingual and qualified individuals helps them deliver a better experience along with an assurance of contentment.

A COMPREHENSIVE VISION

Al Safina Travel and Tourism has, ever since its inception

13 years ago, envisaged a vision to establish the company as one of the largest travel and tourism companies in the world that is not just complimented for its quality but also for its industry expertise. The company has worked vigorously to achieve the recognition of providing state-of-the-art services matching global standards of travel experience.

Built on a visionary dictum, the Group has consistently created memorable experiences for all its customers by presenting them with exemplary vacations. Parallely, the company also aspires to outperform their own previously achieved goals with consistent improvement and unwithering endeavours to offer valuable services to the clients. Focusing vitally on values such as reliability and safety, the travel group aims to foster a considerably long lasting bond with their esteemed customers. A company that has been successfully running on a customer-centric operating model seldom needs a fallback plan, thus, Al Safina has always placed its customers and clientele at the top priority meanwhile carrying immense regard for them.

Its global scale and across-the-globe reach of operations have been essentially bolstered by its various enthusiastic and steadfastly reliable travel partners.
