

Shuraa

ENSURING HASSLE-FREE SOLUTIONS

Established to provide business setup services to aspiring entrepreneurs looking to establish their business in Dubai, Shuraa Business Setup is Dubai's leading business setup consultancy firm and is renowned for offering prompt, reliable, and the most cost-effective business setup solutions at premier locations in Dubai & throughout UAE

Operating for more than 16 years as the most reliable business consultancy service, Shuraa Business Setup facilitates the investors by providing them PRO services, labour and immigration services, helping them to register their company without hassles and get them business licenses in Dubai.

PROMPT DELIVERANCE

Having already registered over 20,000 companies in UAE, Shuraa employs international consultants and holds strong government

connections taking a minimum of 3 business days to help its clients establish their mainland, freezones and off-shore business throughout UAE. With a mission to provide complete solutions by adopting international standards of highly professional service blended with the top global exercises, Shuraa has established companies across various sectors including trade, tourism, construction, real estate, gold and diamond trade, hotels and restaurants, supermarkets, facilities management, and manufacturing.

The company assists its clients to find work space of their choice in the shortest possible time irrespective of varying requirements of decision making about the types of business, options in jurisdictions, appropriate locations, trade licenses and registration process, agreement contracts, competitive procurements and business process mapping. The exclusive office spaces provided by the company in Dubai are equipped with hi-tech technology, telecommunication systems, in-house management facility, spacious parking facility, conference rooms and high-speed internet connection from Etisalat. The company offers ready-to-move business places near Dubai International Financial Centre in Dubai's eminent areas of Sheikh Zayed Road and Al Karama.

PROTECTING INVESTORS' RIGHTS

Working on the belief in preserving integrity as well as transparency in the legal

necessities of setting up a company, the company ensures empowering the investors with 100% operational ownership over the company irrespective of the mandatory provision of allocating 51% of the company's total shares to a UAE national as a condition for setting up a limited liability company in Dubai.

The company works though creating strong investor rights and protection contracts for its investors, maintaining a mutually beneficial relationship with them. It ensures investors get all necessary approvals, offering them practical & legal solutions and helping them to grow well.
