

First Abu Dhabi Bank

SMART SOLUTIONS FOR A BETTER TOMORROW

FGB and NBAD, two renowned banks of the UAE, merged to serve as a propellant for the UAE's economic upturn engine. It was a merger of equals and was approved by the respective shareholders of the two banks on December 7, 2016 and the new entity was named as the First Abu Dhabi Bank (FAB)

FAB's Board is graced by 4 nominated directors of the former FGB & 4 nominated directors of the former NBAD and it strives to achieve the primary objectives of diversification of investment plans, paving way for the development of the UAE's private sector, from SMEs to large companies and assuming responsibilities as a strategic banking partner to the UAE government and its core agencies.

FAMED STRIDES

FAB, the largest and safest bank in the UAE, celebrated

as the largest financial institution, the world over, is headquartered in Abu Dhabi's Khalifa Business Park. Adopting the Equator Principles to join the league of 90 other such international institutions in implementing advanced risk management techniques while lending investment decisions and advisory financial assignments, the bank has established a global footprint across 19 countries offering customized financial solutions through its widespread personal, corporate and investment banking franchises

and imparts financial strength to local, regional and international businesses through the Wealth Sentiment Index which aims to track and communicate the market pulse based on the hypothesis of the opinion leaders and key parameters that affect the health of an economy.
