CRYSTAL ARC

CHIMERICAL YET TERRESTRIAL

A frontrunner in creating exotic crystal ware, Crystal Arc LLC Dubai is world-renowned for manufacturing marvellous crystal artifacts that embellish the homes and offices of not only the princes, queens and kings but also ordinary people who like to keep and gift them as memorable souvenirs. Being ISO-certified, Crystal Arc lays special emphasis on world-class quality and amazing artistic ingenuity, bringing out glistening & glamorous facets of imagination and creating the

most coveted crystal artworks having multi-functional and versatile usages.

Establishing the glittering world of Crystal Arc LLC in 2001 in the Emirates of Dubai, UAE, the visionary behind these beautiful creations, Mr. Faisal Seddiq M. Samea Al Mutawa, went on to give life to his ethereal dream as an entrepreneur to develop exotic crystal ware. Utilizing well his rich experience of 8 years in the crystal field, he grasped the exclusive requirements of individual corporate bodies, and public & federal institutions, while the craftsmen under his consummate leadership chiseled out featly created crystals.

The immaculate crystal pieces at Crystal Arc are created by procuring the finest raw material from Europe on which 180 craftsmen and in-house designers work diligently, customizing, handcrafting and carving them into beautiful pieces of crystal that speak of their own beauty and adorn places of exclusivity. To create pieces that become the cynosure of attraction, a team of dedicated professionals and superior

craftsmen work painstakingly at Crystal Arc using the latest technology like water jet cutting, laser technology for engraving and sandblasting to name a few to create masterpieces that are impeccable and unique. Over the years, under the exemplary leadership of Mr. Mutawa and Mr. Mustansir Saifuddin (Managing Partner), Crystal Arc has created a platform for creative artists from all over the world who can fulfill their desire to create masterpieces.
