LUMINANCE

jewellery, tableware, 3-Dimensional images in cubes, gift ideas for family occasions and others, Crystal Gallery LLC is UAE's leading manufacturer, marketer and retailer of marvelous handcrafted crystal products which has been winning the hearts of its clients and the recipients of its products since 1992.

Its eclectic designs are an alluring amalgamation of the splendid motifs from the western and eastern parts of the world. Flourishing under the exemplary leadership of CEO & Managing Director Mr. Akbar Sura, an influential and an illustrious personality who is recognized throughout the world for his dedication and unwavering spirit, the firm has consistently escalated to greater heights. Having achieved a prominent position in the industry, the firm takes pride in gracing almost every other award function with its crest or memento.

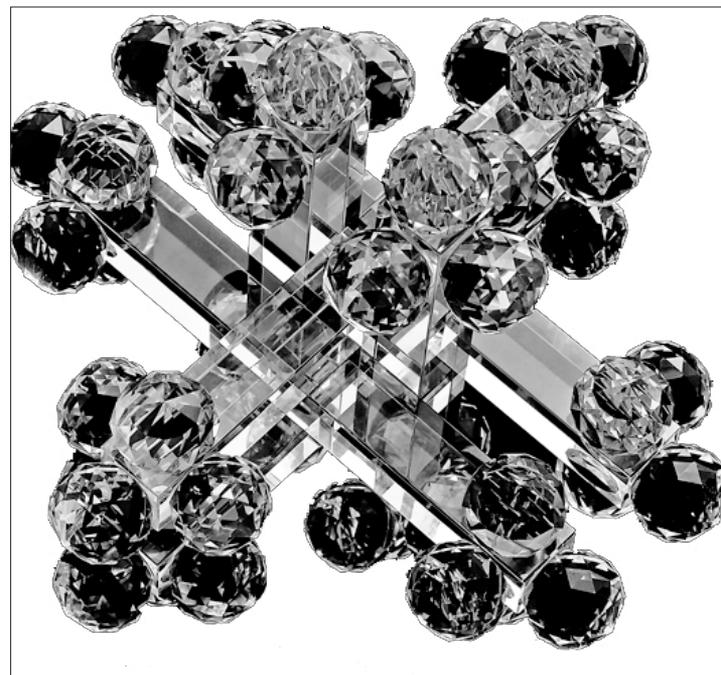

EVOLVING & INNOVATING

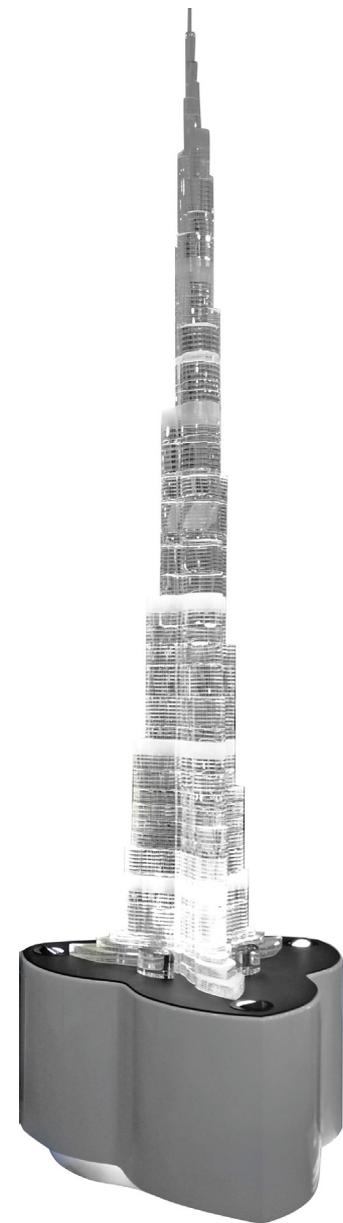

Owing to its state-of-the-art technology such as Water-jet cutting machines, Vitro laser machines and others to create

unique, exquisite designs that have invoked admiration from its customers and competitors alike, Crystal Gallery LLC has transformed the industry with its innovative designs.

Offering a plethora of products to choose from, to its clients, which can be used to award their employees or felicitate their clients, the firm provides varied options of choosing replicas of famous landmark buildings in the UAE or religious artifacts and souvenirs that reflect the deep-rooted heritage of the Middle East. With an option of over 15,000 dazzling designs to choose from, Crystal Gallery LLC's customers are delighted with the fact that they can customize their designs or 'crystallize their ideas' for both corporate and personal use which can involve

having one's company logo, quote or a message etched onto the product with the help of different technologies such as 2D and 3D laser engraving, UV, film printing and more which are employed to make the chosen products look better and different.

However, it's not the end of the road, the icing on the cake is the firm's in-house production staff that is ever ready to go the extra mile to understand and address each & every customer's needs. No wonder, the company was approached

by Microsoft Corporation for crystal certificates for its new headquarters and the superior quality of its products has attracted the customers from all over the world.

PROMOTING PRECISION & PERFECTION

Being aware of the fact that crystal cutting requires the same level of expertise and precision needed for diamond cutting and polishing, the minute details of the designs needing a lot of concentration and patience, each and every piece requiring ultimate smoothness and shine, the firm has even hired craftsmen from a foreign land. Dedicatedly working towards quality and excellence in all departments, Crystal Gallery LCC is recognized by a number of organizations and certified by bodies like Department of Economic Development, Dubai Quality Group, International Standardization Organization (ISO) and Awards Recognition Association (ARA).
