

POWERFUL

7SANDS GROUP

HYGIENICALLY YOURS

Serving a wide ambit of industries through its exemplary trading services and a tremendously varied product range, the 7Sands Group is a global leading trading company specializing in away-from-home hygienic paper products in the UAE. Over a short period, since its inception in 2015, the Group has been able to attract & retain a broad range of clients from various industrial and business domains.

Since its establishment by Mr. Hemant Kampli, a successful business leader with

23 years' experience in the consumer products industry, with a partnership with Metropolic paper industries, 7Sands Group has efficaciously captured the hygiene & tissue paper market in the UAE.

SERVING CUSTOMERS – BUILDING RELATIONSHIPS

Owing to its value-for-money approach & strong customer relations, 7Sands has been able to attract & retain a broad range of clients from various industrial & business domains such as hotels & restaurants, caterers, cleaning companies, hospitals, health centers & spas, wholesalers, manufacturing lines, schools, colleges & universities, corporate companies, airlines, shopping malls and more. They serve some of the biggest hotels in the Dubai City & have partnerships with famous caterers & event managers. The challenge of maintaining the highest levels of customer service is accepted by the Group with open arms & it lays emphasis on innovation, ingenuity,

and performance. The importance of satisfied customers is acknowledged and therefore, the clients are at the center of the company's vision & policies.

7Sands has become immensely popular in a very short period of time because of its excellent services to large-scale corporate and private ceremonies, small-scale family gatherings, parties, lovely couple dinners, and then of course, their tissues take the centerstage of their every event, touching everybody's hearts.

GARNERING EFFICIENCY

As for trading services, teamwork, quality and timeliness are very important; 7Sands not only has partnerships with some of the famous caterers and event managers, it is also known for its great

satisfaction which has always been achieved through honest manufacturing and distribution practices. It stands out amongst its competitors in terms of quality, use, and affordability. 100% virgin raw materials are used while producing its signature world-class tissue paper, 'It's My Tissue' for customers from a diverse market domain such as hotels, shopping malls, restaurant chains, airports, and government & utility companies.

teamwork exemplified by its employees. The management ensures that the workplace offers the perfect ecosystem to all the employees of the firm so that they can exhibit their creative streak and contribute to its success. The Group's mantra for success is to offer the right services & products to right customers and let the perfection do its own work.

The Group also has an extensive product line under the brand name of 'It's My Tissue'. This brand is developed with the commitment towards customer

INNOVATING EXCELLENCE

For 7Sands, quality has always been of paramount importance so special emphasis is laid on quality of all its trading services, and for its products the whole process of getting raw materials to end products is based on the standardized procedures compatible with the legal laws and regulations. Moreover, its technical team is trained and motivated towards producing the outcome that satisfies the practical as well as functional needs of the customers.
