

POWERFUL

AJMERA REALTY & INFRA INDIA LTD.

TURNING DREAMS TO REALTY

With a rich journey spanning around five decades, the luxurious empire of Ajmera Realty & Infra India Ltd. is built on the trust of numerous satisfied customers. Having efficaciously delivered more than 40,000 homes and developed 45 million sq. ft. of area, the Group is one of the leading names in the real estate sector in India.

Everybody treasures a dream of residing in one's own house some day for settlement, contentment and achievement of self and future generations. The Ajmera Group under the visionary leadership of Mr. Dhaval R Ajmera has not only made such dreams true for decades, in the process it has also flourished day and night, touching newer heights of success.

Over the years, it has initiated and successfully completed some of the most ambitious township projects such as Yogi Nagar, Ajmera Green Acres, Ajmera Arista and Ajmera Infinity with Ajmera I-Land (a 100-acre new-age world-class township) as well as some prominent

commercial projects such as Ajmera Summit.

From a humble beginning in the early 1960s with activities limited to in and around the periphery of Mumbai city, the Ajmera Group, with sincere and dedicated efforts along with the spirit of enthralled entrepreneurship, has evolved into a leading conglomerate.

NURTURING A LEGACY OF VALUES

The 49-year-old brand is built on the premise of trust, as the customers not only stay loyal to the Group but are always keen to refer it to their family and friends. The attributes of high quality, innovative construction technology, comfort, aesthetic appeal and maximum

value for money are the signature styles of Ajmera Realty. In keeping with the tradition of building fruitful customer relationships, the brand aims 'to be the most preferred and trusted name that enhances the quality of life through sustainable development.'

The brand has consistently collected several feathers in its cap, through its first township culture by introducing Shanti Nagar at Mira Road, Maharashtra, and then developing further the magnificent Citi Mall, one of the first multiplexes of Mumbai, and the world's largest and India's first IMAX dome theatre.

TRANSCENDING THE FRONTIERS OF SUCCESS

The Group has been expanding rapidly nationally and internationally, and has built projects in Mumbai, Pune, Ahmedabad, Surat, Rajkot, Bangalore and Bahrain, setting new benchmarks of success.

The reach and interest of the Ajmera Realty & Infra India Ltd. has only grown with time and has extended to other realms, such as power, education and social welfare. The Group has also successfully ventured into the fields of solar power, sports, vaults security, cement and social welfare. From Mumbai to Bengaluru, Ajmera Realty & Infra India Ltd. has won the hearts of its customers with its properties that promise to be cherished for generations.

The Ajmera Group has created an emotional bonding with its customers through its high-standard residences and lavish commercial spaces, and aims to transcend new horizons of success, by creating ingenious landmarks and playing an ambitious and vital role towards globalization with its experienced team of architects, engineers, and technical & non-technical staff.
