Desert Safari in Dubai has always been

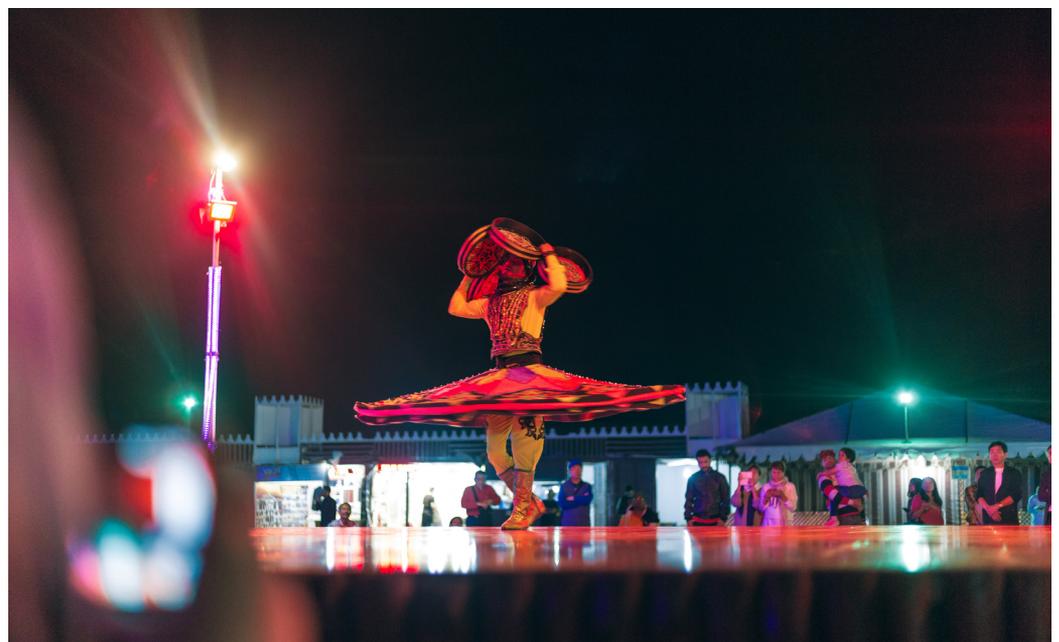

on the to-do list of every tourist visiting the place. The romance of the desert conjures up images of the golden sands of Lawrence of Arabia, 1001 nights and the soft flames of an antique lamp and a gentle bonfire casting a warm glow around Bedouins.

These days due to commercialization of the desert safari, the romance of the desert is lost. But with Lama Desert Tourism, they let you cherish the same experience with pocket friendly deals. Being in the travel business for over 15 years, they have mastered the skill of providing quality services. The brand is also gearing up to tap new opportunities in the market making use of technology and innovations.
