

POWERFUL

New Delhi Institute of Management

HALLMARK OF BRILLIANCE

This competitive era needs youngsters who have the courage to take progressive steps and tackle the challenges that every new day brings with itself. Focusing on this inevitable need, the New Delhi Institute of Management brings forth its best services and training programs to develop leading personalities of the time.

The New Delhi Institute of Management began its journey in the year 1992. Established by a bunch of esteemed visionaries such as former bureaucrat & freedom fighter, J.R Bansal; Dr. M.L Shahare; R.K Kaul and Justice RS Sarkaria, the institute proceeds on its way to enlighten young minds of the nation.

Being a unit of the NGO “Society for Employment and Career Counselling”, the institute has a determined vision of fostering better opportunities for the young generation of the nation by equipping them with exceptional skills in the field of management education, research, and managerial training.

The institute received accreditation from National Board of Accreditation (NBA) and is also approved by All India Council of Technical Education (AICTE), Ministry of HRD, Government of India.

The students are offered specializations in fields such as Marketing, Finance, Production & Operations Management, Human Resource Development, Information Technology and International Business. Keeping in mind the quality

of education, the institute establishes a balanced student faculty ratio of 15:1.

ALL-INCLUSIVE CAMPUS

The institute has an exquisite campus surrounded by nature with appropriate facilities and safety. The institute has full-furnished modern classrooms; seminar room, auditorium and other rooms that provide multi-media services to the students. Apart from these, a well-maintained and up to date library also entertains the youngsters. To make sure that their students do not have any accommodation issues, there is also a hostel facility.

Instead of focusing completely on the studies, the institute encourages its students to take active part in indoor as well as outdoor sports activities and ensures that they get proper training as well. There are lots of clubs and societies such as Udaan Club, Editorial Club, Management Club, Yogdan Club, Foodiez Club, Incubation Club etc through which the students get to explore their hobbies.

In addition to all these facilitations, the college also takes great care of its students' health and organizes free health check-ups on a regular basis.

GRABBING INTERNATIONAL OPPORTUNITIES

One of the main highlights of this esteemed institute is its step outside the national boundaries. The institute offers international projects to its students to acquaint them with the newer and better opportunities.

In this list of lucrative opportunities that this institute gives, their Study Abroad Program steals the limelight. NDIM offers a specially designed program with international universities such as Universal Business School, Oxford; Universidad de Sevilla, Spain; ESSCA Ecole De Management, France to enhance the learning experience of the students. Thriving to help their students excel in future, the institute also conducts various international workshops by specially inviting renowned international trainers.

NDIM makes sure that it helps its student in transforming their vision into reality. With this mission and ambition, this institute strives vigorously to initiate a tremendous change in the lives of the young generation of this country.
