

EMERGING

SERVICES

An undisputed leader in global education, Global Vision Consultancy has created awareness and opened doors for thousands of students across India. Its reputation is built not just on numbers, but on the genuine care and commitment it brings to each student's journey. It carefully evaluates each student's profile before accepting the case and applying for admission. Over the years, it has conducted over 800 seminars, helped create 8,000 success stories, collaborated with 210 universities, facilitated 800 immigration cases, and assisted 1,700 students in pursuing MBBS degrees abroad.

VISIONARY LEADERSHIP

Founded by Mr. Sai Krishna Vejju, Global Vision Consultancy comprises a team of young, skilled, and knowledgeable professionals. They guide students in study abroad options with extensive experience, tailored to each student's unique profile and needs. Their knowledge of the overseas education industry has helped the company achieve remarkable success.

CUSTOMER-CENTRIC PHILOSOPHY

Global Vision Consultancy places its clients at the core of its services. It offers free consultations to help students and their families make well-informed decisions without any pressure. The consultancy provides cost-effective solutions, ensuring expert guidance is accessible to all. It also assists with university selection, education loans, and scholarship opportunities to make studying abroad more affordable. The team offers expert test coaching, overseas travel guidance, and flight ticket consulting to ensure a smooth transition. Additionally, it offers 24/7 FOREX support to meet students' foreign currency needs. Trusted by many, the consultancy is committed to providing personalised, comprehensive support throughout the entire study abroad journey.

GLOBAL VISION CONSULTANCY

GUIDING STARS IN GLOBAL EDUCATION

Global Vision Consultancy, based in Hyderabad, specialises in guiding students to the right courses and universities abroad. Partnering with leading global institutions, the consultancy offers personalised, expert support to help students choose the best educational path for a successful job-ready future

RELIABLE VISA SUPPORT

Visa assistance is one of Global Vision Consultancy's strongest pillars. With a high visa success rate, the consultancy delivers reliable visa advice tailored to each individual's profile. Its team of experts not only helps students prepare and file their visa applications but also follows up with the authorities until final approval is granted. In addition, they help students determine the best time to travel, arrange flight tickets, and secure travel insurance. With 24/7 forex support, students and their families can manage their currency needs smoothly and efficiently. Global Vision Consultancy also extends its support beyond the visa phase. Understanding that students face numerous uncertainties once they reach their destination, the consultancy offers pre-departure briefings, helps with finding accommodation, and even provides on-ground assistance in foreign countries. Its associates abroad play

a vital role in helping students adjust to new environments, including assistance with finding part-time jobs to support themselves while studying.

RACKING UP ACCOLADES

In 2025, the consultancy was honoured with the prestigious national award: "Trusted & Outstanding Study Abroad Consultancy Firm of the Year – India 2025" at the India Elite Education & International Excellence Awards & Conference. The award was presented by none other than Padma Shri Dr. Chandrashekar Channapatna Rajannachar, in recognition of the consultancy's transparent, ethical, and student-focused approach to overseas education. Adding to its growing list of accolades, the consultancy was also honoured with the "Times Business Leaders 2025" award. This prestigious recognition further solidifies its reputation as a leader in the field of overseas education and student empowerment.
